1. PARENT POLICY TITLE
   OS-HELP Policy

2. INTRODUCTION
   The Australian Government provides a number of OS-HELP loans to the University annually to help eligible undergraduate and postgraduate students undertake part of their study overseas in formal student mobility programs. This procedure explains the criteria and processes that the University will apply to allocate the loan funds.
3. **DURATION OF OS-HELP LOANS**

A single OS-HELP Loan is set for a specific study period of six months only. This period is defined as exactly six months from the day that the student commences their study at the overseas institution.

A student can apply for a period of overseas study that is greater or less than the six-month period, but the OS-HELP Loan they receive will remain bound by the six-month period. In other words, regardless of the length of the overseas study period, the loan will be paid in six-month blocks.

When a student will be studying overseas for a period greater than six months, the student can apply for two OS-HELP Loans concurrently if they believe they will still meet the eligibility criteria. The payment for the second six-month period will be paid within twenty-eight days of the next scheduled payment date (see Section 6).

4. **AMOUNT OF OS-HELP LOANS**

Students may apply for one (1) loan per trimester of overseas study and can apply for a maximum of two (2) loans. The minimum loan amount per trimester is $1,000. The maximum amount varies annually based on the CPI. Students should refer to [http://www.griffith.edu.au/international/global-mobility/outbound/financial-information/overseas-higher-education-loan-program](http://www.griffith.edu.au/international/global-mobility/outbound/financial-information/overseas-higher-education-loan-program) for the exact maximum amounts each year.

Loan amounts must be in Australian dollars and in multiples of $500.

5. **ELIGIBILITY CRITERIA**

To be entitled to OS-HELP for a six-month study period, a student must comply with all the following, in accordance with the prescribed OS-HELP criteria for eligibility and the EFTSL formula published in the OS-HELP guidelines provided in the Administrative Information for Providers promulgated by the Government.

1. be an Australian citizen or the holder of a permanent humanitarian visa;
2. be enrolled in a course of study with Griffith University;
   
   **Note:** A course of study is defined as a single course of study leading to a higher education award. Where a student is undertaking an Honours component of an undergraduate course of study, the entire undergraduate course may be considered for the purposes of assessing eligibility for OS-HELP.
3. have evidence that their overseas study will count as credit for the course of study in which they are currently enrolled at the University;
4. have completed already, as a Commonwealth supported student, at least 1.0 EFTSL of study in Australia that counts towards their course of study;
   
   **Note:** For purposes of calculating eligibility, only the subjects that the student passes can be counted towards their course of study. Do not count failed units in calculating whether the prerequisite 1.0 EFTSL of study has been completed.
5. still have at least 0.125 EFTSL of study to complete in their course of study on return from their overseas study;
6. provide a Tax File Number (TFN) when applying for their OS-HELP Loan;
7. not have received OS-HELP assistance in relation to more than one other period of six months from Griffith University or another provider;
8. not have been granted an OS-HELP Loan by another provider for an overlapping six-month study period;
9. be formally selected by the University to receive an OS-HELP Loan;
10. complete and sign an OS-HELP debt confirmation form; and
11. have not completed the overseas study before making the application for an OS-HELP.

6. APPLICATION PROCESSING

If eligible, students can submit their applications for OS-HELP to Griffith Global Mobility as follows:

Trimester Exchange Program
If students are applying for an OS-HELP Loan for a trimester or full year exchange the application can be submitted once formal acceptance has been received from the host institution.

Other
If students are applying for an OS-HELP Loan for another type of overseas experience (not trimester or full year exchange) the application can be submitted once formal acceptance has been received from the host institution, or in the case of the overseas experience being a Griffith led study tour once formal acceptance has been received from the Griffith Course Convenor.

Please note: A single OS-HELP Loan is set for a specific study period of 6 months only. This period is defined as exactly 6 months from the day the student commences their study at the overseas institution/organisation. A student can apply for a period of overseas study that is greater or less than the 6 month period, but the OSHELP Loan they receive will remain bound by the six month period. In other words, regardless of the length of the overseas study period, the loan will be paid in 6 month blocks.

When a student will be studying overseas for a period of greater than 6 months, the student can apply for two OS-HELP Loans concurrently if they believe they will still meet the eligibility criteria. The payment for the second 6 month period will be administered within 6 months’ time.

7. APPLICATION PROCESS

As a part of the application, students will be required to supply Griffith Global Mobility with the following documents:

A student applying for an OS-HELP Loan MUST disclose and provide information on the OS-HELP Loan application form, if they have been a previous recipient of an OS-HELP Loan.

9. **PROVISION OF FALSE OR MISLEADING INFORMATION**

If the University knows or believes that a student in receipt of OS-HELP Loan assistance has provided false or misleading information in his or her OS-HELP Loan application, the University will notify the Australian Government of the suspected offence and provide them with a copy of the student’s application and any other relevant information or material requested by Australian Government.

10. **SELECTION OF STUDENTS FOR OS-HELP LOANS**

OS-HELP Loans will be allocated to all eligible students by Griffith Global Mobility, subject to funding availability. A Griffith School or Student Administration may be contacted to confirm credit approval and details of the student’s degree program if this information has not already been provided, clearly and accurately.

11. **TIMELINE FOR HANDLING APPLICATIONS**

Students will be notified by email of the outcome of their application within 10 business days of the application being received by Griffith Global Mobility. Successful applicants will be required to:

If a student is dissatisfied with the outcome of the review, he or she may lodge an appeal within 10 working days of notification of the review outcome. This appeal must be in writing using an updated Review of Decision Form requesting an appeal and be lodged with the Vice President (Global).

15. IMPACTS OF CHANGES IN CIRCUMSTANCES

If a student’s circumstances change in such a way that the University determines that the student no longer meets the OS-HELP Loan eligibility criteria and the student has yet to be paid, the University will withdraw the offer of OS-HELP assistance.

If a selected student’s circumstances change in such a way that the University determines that the student no longer meets the OS-HELP Loan eligibility criteria and the student has already been paid, then the University will not withdraw the offer of OS-HELP assistance unless there are reasons to believe that the student has provided false or misleading information on their OS-HELP application form (see Section 9).

If the University determines that the student will not be undertaking his or her overseas study after it formally approves an application but before it provides the OS-HELP assistance, then the University may withdraw the offer for an OS-HELP Loan.

If the University determines that the student will not be undertaking his or her overseas study after it approves an application and provides the OS-HELP assistance, then the University will not take any action as the OS-HELP Loan debt has already been incurred by the student.
